01 / DECLARATIONS

Homeowners policy

Policy number

CCV-HO3-CA-100731

Dwelling

Fictional residence, California

Policy term

January 1 to December 31, 2026

Flat deductible

$1,000 per covered occurrence

This invented policy is a software testing fixture. Only the clauses printed here apply to the example. It does not provide insurance or describe an actual insurer's terms.

02 / TERMS AND EXCLUSIONS

Dwelling coverage

Windborne debris

Clause W-16. Sudden impact from windborne debris that breaks an exterior dwelling window is a covered cause of loss. The flat deductible shown on the declarations page applies to covered repairs.

Temporary window boarding

Clause W-17. After windborne debris breaks a dwelling window, this policy allows up to $275 per occurrence for temporary window boarding to keep rain out. Keep the dated boarding receipt with the claim.

Excluded damage

Clause X-04. Gradual wear, long-term water seepage, and damage from a window that was already broken before the storm are excluded.
